Carefully crafted with all the hallmarks of great carpentry, the Passage Stool in FSC-certified solid oak has a warm expression and an organic silhouette that invite to touch. Devised as a flatpack for quick and easy self-assembly, connecting the user to the design, it is offered in a natural or dark lacquered finish. The versatile, flexible piece can be used anywhere where an extra seat is required – at the dining table, office desk, or even as a side table or landing place for clothing in a bedroom or bathroom – and multiples can be stacked together when not in use.
