

# Garrucho hangers colgadores / crochets

The garruchos (bronze karabiners) recovered from sails are knotted to hempen ropes to produce these evocative hangers.

Los garruchos (mosquetones de bronce) recuperados de las velas se anudan a cabos de cáñamo para generar estos expresivos colgadores.

Les garruchos (mousquetons en bronze) récupérés des voiles sont noués à des cordes de chanvre pour créer ces crochets expressifs.
