

Modern / Chair
Design / Chiaramonte / Marin

The Modern collection has soft and sinuous lines, making the contrast between the fluidity of the shapes and the rigidity of the material a distinctive element. Available in numerous colour variations, it decorates any setting with style and personality.

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
