

Como / Coffee table Design / Jean-Marie Massaud

What inspires most Como collection is its evocative power and its ability to reinterpret a classic line and give a contemporary look, which blends naturally into any setting. An extremely accurate study of practical proportions and efficacy are the key words in this collection, which consists of a dining chair, a small, low and high backed armchair, an armchair and sofa.

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
