

VOID TRIO ROUND

Inspired by vacuum flasks, Void is made from pure metal which is formed into a complex double-walled shade. A small but powerful halogen bulb deep inside the lamp creates a soft but directional light beam, while the exterior is polished to a highly reflective finish. Available in Pendant and Surface light versions.

Process

Metal spinning and hand forming – Made from pure metal with a 5 part tool, the parts are pressed, spun and braised to form a complex double wall shade. They are then hand polished to create a mirror surface. The lacquer is applied so the surface maintains its high gloss finish.

Cleaning Instructions

Clean with a soft dry cloth only. Do not use polishing agents, water or abrasive materials when cleaning. Always switch off the electricity supply before cleaning.
