Description

The shade on the Type 1228™ desk lamp has always rotated to provide both functional and ambient light and now it boasts an even more smoothly integrated switch too, making it easier to use. Available in Ice White, Granite Grey and Ocean Blue, this neat lamp with its new, more compact base would make a sophisticated and functional addition to any office, bedroom or living space.

Materials

- Twin layer coloured polypropylene shade
- Brushed aluminium shade cap, switch cover and arms

Description

Anglepoise®'s new Type Range Accessories extend the possible uses of our Type 75™, Type 75™ Mini and Type 1228™ collections both on and off the desk. Alongside functional refinements such as a cable management option on the Wall Bracket and a more compact profile on the Desk Clamp, all four pieces now also have colour-matched finishes for seamless integration with their corresponding products.
