## MATERIAL

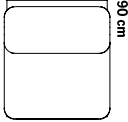

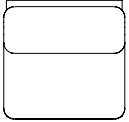

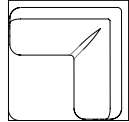

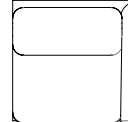

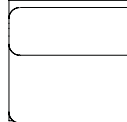

Hemmets mitt, någonstans att vila, sträcka ut, läsa, samlas, slumra till... Campo är en stilren möbel som platsar överallt och dess mångsidighet gör att den lätt anpassar sig till livets alla stunder. Dess ellipsformade armstöd och dunstopning bidrar till en vänlig och diskret karaktär. Campo ritades för att vara en soffa man inte gärna reser sig ur, ett löfte den lever upp till med både integritet och stil.

*The centre of the home, somewhere to relax, perch upon, read, gather, doze upon... Campo is a clean, assured form that fits anywhere, with a versatile function that lends itself to life and all its moments. With its ellipse armrests and plush down-filled cushions there's a friendliness to Campo, and its warmth seems to fill any space. It was made to be a sofa you don't want to rise from; a promise it keeps with integrity and style.*
