

Base Copper Floor Light

With its industrial aesthetic cast iron base, minimal metallic shade and classical proportions, Base is an interior design staple – so popular that we’ve added a highly-polished copper shade to the range.

Process	The base of the light uses the technique of sand casting, a process which involves compacting sand into a casting box and pouring in liquid iron to form the shape.	
Year of Design	2013	
Material	Copper Plated Steel, Cast Iron Base	
Product Code	Base Copper Floor EU	BSS02C-FEUM
	Base Copper Floor US	BSS02C-FUSM
Type	Floor Light	
Colour	● Copper	
Cleaning Instructions	Clean with a soft dry cloth only. Do not use polishing agents, water or abrasive materials when cleaning. Always switch off the electricity supply before cleaning.	

Bulb spec
