

Morris

DESIGN ANIKA REUTERSWÄRD

Morris är en av Fogias mest populära soffor. Ett skäl är de många valmöjligheter som Morris erbjuder – kombinera som du vill och klä den i något av alla våra väl utvalda tyger. Morris finns i två huvudsakliga utföranden, den klassiska Morris och den nyligen uppdaterade Morris Low.

Morris is one of Fogia's most popular sofas. One reason is the many choices Morris offers – combine as you like and dress it in any of our carefully selected fabrics. The sofa is available in two main versions, the classic Morris and the recently updated Morris Low.
